LASALLIAN LEADERS SCHOLARSHIP PROGRAM

MANHATTAN COLLEGE

LASALLIAN LEADERS SCHOLARSHIP PROGRAM

Named after St. John Baptist de La Salle, the founder of the Brothers of the Christian Schools, this scholarship program is part of a cooperative effort to continually improve the quality and scope of the Lasallian tradition at Manhattan College.

As an award recipient, the student will be expected to become a leader on campus who works with the Lasallian Leadership group and other College Lasallian organizations. The student must actively participate in community service during each semester enrolled at Manhattan College in order to maintain the scholarship. At the end of each semester, an evaluation occurs based on attendance, participation in meetings and service projects. The evaluation is conducted by members of the leadership team. If a student does not fulfill expectations as determined by the evaluators, he/she forfeits the scholarship that was awarded.

MISSION STATEMENT

To develop creative ways of integrating mission with campus life programs, utilizing a base of students who have already experienced Lasallian educational environments prior to attending Manhattan College.
