ON ALUMNI EVENTS VISIT:**

manhattan.edu/stayconnected

The Manhattan University Alumni Society is the oldest Catholic alumni association in the country and provides a forum for alumni to stay connected with each other, the University, and the Jasper community. There are more than 40,000 alumni globally that are society members.

As a graduate, you are automatically enrolled in the Alumni Society!

The Alumni Society’s mission “is to promote the general welfare of Manhattan University; to develop an active and enduring interest in all the affairs of the University among its alumni, undergraduates, faculty, administration and other friends; to foster full participation of the foregoing in the life of the University, to establish those policies affecting alumni, and to develop a close association of all Manhattan men and women.”

The Alumni Society is represented by a board made up of active and engaged alumni, focused on stimulating Alumni participation in all alumni events and activities. Membership in the Alumni Society provides the opportunity to network, participate in Jasper community events, volunteer and engage with other Jaspers.

The Alumni Society collaborates closely with the Alumni office of the University and takes a prominent role in several key alumni events including:

- The prestigious Gunn Medal, awarded to an outstanding graduating student.
- The Athletic Hall of Fame
- Jasper Open Golf Outing
- Reunion Weekend

The Alumni office organizes over 50 events each year, to which all Alumni Society members have access.
