The annual Construction Industry Golf Tournament, sponsored by the Manhattan College Alumni Society, has become a signature event for alumni and friends of Manhattan College. Founded by Joe Van Etten '57 in 1997, this year marks our 20th anniversary.

All profits provide support for the College's distinctive mission, which is to offer a Lasallian Catholic education to all deserving students. Tournament earnings will support the engineering program; providing all students pursuing a degree in engineering the benefit of program enhancements. In addition to supporting scholarships, more than \$150,000 has been allocated to constructing a state-of-the-art geotechnical laboratory located on the first floor of Leo Hall.

Your support and participation in our golf tournament is very much appreciated. Please consider a personal or corporate partnership. We look forward to seeing you!
