

## COST WORKSHEET

Estimate the out-of-pocket difference after financial aid and other resources.

### Step #1: Estimate Tuition & Fees and On-Campus Housing

Academic Program	On-campus Resident	Commuter
School of Liberal Arts / Education and Health:	\$54,610	\$39,330
School of Business:	\$54,870	\$39,590
School of Science:	\$54,990	\$39,710
School of Engineering:	\$55,990	\$40,710
<b>Total Tuition &amp; Fees before Financial Aid</b>		

### Step #2: List Offered Financial Aid and Other Resources

Total of Institutional Grants and Scholarships, on Award Letter		+ _____
Federal / State Grants, on Award Letter i.e. Pell, TAP, etc. <ul style="list-style-type: none"> <li><b>Do not include Federal Work-Study</b></li> </ul>		+ _____
Federal Direct Stafford Loan ( <b>choose one, if borrowing</b> )	Award Amount	Net Loan Amount
	+ \$3,500	+ \$3,464
<ul style="list-style-type: none"> <li>Use only if student plans to borrow and <i>match eligible amounts per award letter</i>.</li> </ul>	+ \$4,500	+ \$4,452
<ul style="list-style-type: none"> <li>The annual amounts listed refer to the maximum amounts permitted for sophomore, junior, and senior class standing and alternate, increased amounts are provided to those with proof of Parent PLUS Loan denial. Figures reflect amounts net of the 1.068% federal origination fee.</li> </ul>	+ \$5,500	+ \$5,442
	+ \$6,500	+ \$6,432
	+ \$7,500	+ \$7,420
	+ \$9,500	+ \$ 9,400
	+ \$10,500	+ \$10,388
	+ \$12,500	+ \$12,368
Third-party Outside Scholarships or other resources		+ _____
<b>Total Estimated Aid</b>		= _____

### Step 3: Calculate an annual estimate (Total Tuition & Fees minus Total Estimated Aid)

**Estimate for Academic Year (Fall & Spring):** \_\_\_\_\_
