

Summer Loan Request Form

Financial Aid Award Year _____

By completing this form you are requesting that Manhattan College process your student loans to include the summer semester.

You must be enrolled for at least six degree bearing credits during a semester to receive Federal loans. Receiving loans for the summer semester will reduce your loan eligibility for the award year (Fall/ Winter/ Spring semesters)

Students requesting Federal loan money for the summer will receive ½ of their yearly award during the summer. The remaining loan money will be divided equally between the Fall and Winter/Spring semesters.

Example: A graduate student who has a yearly loan award of \$20,500 and requests summer money will receive \$10,250 during the Summer (1/2); \$5,125 during the Fall (1/4) and \$5,125 during the Winter/Spring semesters (1/4).
