

**There are a few things that we feel you should know to make your day more enjoyable.**

The dress code is casual; however, t-shirts and shorts are not allowed. While golf carts will be provided to get you from station to station, the roads are unpaved, so you should wear a rubber soled comfortable shoe.

Weather is unpredictable, sometimes mornings are chilly and afternoons warm. We suggest that you dress with layers of clothing that can be easily removed or added as needed. We will shoot rain or shine, though a small poncho will be provided, you may wish to bring your own rain gear.

You will be provided with a pair of safety glasses and earplugs. While you are welcome to bring your own shotgun, it must be a break type of gun, SxS, or O/U. Pump and semi-automatics are not permitted. A limited number of shotguns will be provided, usually one per squad. In addition, all the ammunition you will need to participate in the event will be provided.

The standard event will begin with everyone gathering between 8:30 am and 9:30 am for breakfast and registration. It will be followed by a safety briefing and instructions for those who need them, as well as practice of 50 rounds for experienced shooters. After lunch, all participants will break out into their respective squads and will shoot 75 rounds, which will be scored. At the completion of the shoot, we will reassemble for dessert, coffee, wine, cheese, cigars, live auction, and awards.
