

## UNDERGRADUATE COURSE REPEAT POLICY

The Manhattan University grade course replacement policy primarily applies to any student who has not met the minimum required grade for his/her program of study. Secondly, a student who has earned a C or less in a course may be allowed to apply this policy to improve the course grade and cumulative GPA. When the student repeats the same course at Manhattan University the higher of the two grades is used in calculating the student's GPA. The lower grade will remain on the student's record but will not be used in the calculation of the cumulative GPA. No additional credits are earned. All grades earned will appear on the student's transcript. See requirements below:

### GRADE REPLACEMENT CONDITIONS

- Applies to 100 or 200-level courses taken at Manhattan University.
- Grade replacements must be processed before a degree is awarded
- Where a 100 or 200-level course is repeated, the higher grade will automatically replace the lower grade
- A student may petition to apply the same policy for a 300 or 400-level course. The dean of the student's school will approve or deny the student's petition.
- The number of times a student can repeat a course is determined by the Repeat Course Policy.
- Applies to no more than 15 credits or up to 5 courses of the student's academic record.
- The grade of the original course will not be removed from the GPA calculation until after the new grade has been completed at the end of the term.
- The lower grade remains on the student's transcript and will not be used in the calculation of the cumulative GPA. No additional credits are earned.
- All grades remain on the transcript.
- Grade replacement may not be used to replace a grade assigned as a result of academic dishonesty.
- Does not apply for courses which transfer credits have been awarded.
- The grade to be replaced must be a "C-", "D+", "D", "F", "UW".
- Grades of "W" or "AUDIT" will not replace previous grades.
- G.I. Bill students and others receiving Veterans Administration benefits are advised that replacement of any grade other than an unsatisfactory grade must be reported to the V.A. and may result in the retroactive reduction of benefits for the semester for which the replaced grade was originally assigned. An unsatisfactory grade may be replaced without similar consequences. Notify the Veteran Certifying Official when applying to use this option.
- Federal and/or state regulations may supersede portions of this policy. For example, students with financial aid are required to follow federal regulations regarding repeating courses. Please consult with the Office of Financial Aid to check how this policy may impact your eligibility for financial aid.

**Note:** In the future if you apply for admission to other colleges, universities graduate and professional schools, or if your record is evaluated by a national testing agency such as AMCAS or LSDAS, both MC grades will likely be included in the calculation of your GPA.
